Re: Moroccan Cultural Week

Dear Mrs Hajioff,

Following the success of the charity gala dinner and the Moroccan Cultural Week, which was held in Covent Garden from 2 to 8 of June 2003, I would like to seize this opportunity on behalf of the Moroccan National Tourist Office to reiterate my sincere thanks to you.

Your participation in this event of great scale at a time when Morocco has more than ever needed to convey a message worthy of its values for peace and of tolerance, reflects in truth the pride and the love that you show not only for Morocco, but also for every little thing that has to do with the safeguarding of our ancestral traditions and the components which constitute the singularity and the richness of the Moroccan culture as a whole.

Your determination to make a success of your participation throughout this week, have enormously contributed to raise Morocco's image in terms of cultural heritage, arts and music. The positive comments received from a broad range of domestic and international visitors who came along to witness the rhythms of Morocco alive, are a simple testimony of what a great country we should all be proud of.

Again, many thanks for all your hard work and for the efforts that you have deployed to ensure the success of the first ever-Moroccan cultural week.

Yours sincerely,

Ali El Kasmi
